

Dear Program Director/Program Chair,

This is an invitation to your PGY 4 and PGY 5 Residents to attend at no cost, the annual

Georgia / South Carolina Orthopedic Society Senior Resident Conference

taking place at:

Ritz - Carlton- Reynolds, Lake Oconee

June 9-10 2017

In an effort to prepare our graduating orthopedic surgery residents for employment, practice and life outside their residencies, the GOS and the SCOS have partnered to sponsor an annual conference for all PGY-4 and PGY-5 residents from the South East. The conference is held at the beautiful Lake Oconee resort and begins on Friday June 9th with a dinner and social gathering. Saturday June 10th will begin with breakfast followed by a day of talks and presentations designed to prepare our senior residents for their next phase of life and practice. At noon we break for lunch and resume around 1:00 pm with the conference adjourning by 4:30 PM.

This conference has become one of the most popular resident conferences in the South and is paid for by the GOS and SCOS along with donations from our sponsors. The speakers are experts in their field and are noted for interesting and timely presentations on the subjects selected. ***As noted, the GOS, SCOS and our selected sponsors pay for Friday night Hotel accommodations, all food and the entire***

academic program. In so doing, we feel that this is a great opportunity to reward our residents for a job well done during their residency without their having to find the funds to do so.

Program for GOS resident conference

07:00-08:00 Breakfast

08:00-08:10 Welcome, Steve Kane, MD
